

SARAH GALLAGHER

PROUD "MOTHER" OF A LOVELY CAT MILO

Sarah Gallagher is the owner of a cat named "Milo" which means the world to her. When she isn't taking care of her most precious companion she is on the road giving presentations as the lead marketing director of Microsoft.

Sarah is constantly looking for a place to keep Milo while she is on business trips. She currently asks her best friend Ashley to look after her cat. However, she wished there was a dedicated service that would allow her to quickly view ratings and reviews of local pet caregivers.

Born on Monday January 5, 1995 making her 26 years old.

Lives in Toronto with her lovely cat Milo.

Sarah grew up an only child to 2 loving parents who enrolled Sarah into sports and music band growing up.

Graduated University of Toronto, 2016 with a 3.6/4.0 CGPA.

Sarah is easy going and an upbeat person as there are not many things in life that make her frustrated.

Sarah is confident with technology as she makes presentations often for her job. She views technology as an asset and not an obstacle.

JOHN LOWRY

PROUD OWNER OF A LARGE HUSKY FELIX

John Lowry is a busy university student studying Psychology at the University of Waterloo. He loves to hang out and play with his husky Felix as it helps him to destress and temporarily forget the never-ending pressure of school.

John is a very busy student but occasionally on the weekends, he likes to go out with his friends. However, he has lots of trouble finding a fellow university student to look after his dog on the weekend. He wished there was an easy and effective way to find temporary accommodations with a trustworthy person for his best friend Felix.

Born on April 18, 2000 making him 21 years old.

Lives in residence at Waterloo with his fluff ball husky aka "Felix".

John grew up an only child and was always very interested in the human mind, even as a kid.

Studying Psychology at the University of Waterloo.

John has a mild temperament and gets frustrated when things cannot be quickly done.

John is not by any standards a "techie" but he knows enough to get his school work and projects done in a timely fashion.
